ENJOY VISIT TO RICHMOND

Election for City Offices Will Take Place June 12.

Times-Dispatch Bureau, 105 North Sycamore Street, Petersburg, Va., May 25.

The tents are up and all preparations have been made for the camp of instruction for the officers of the Virginia Brigade, who begin their encampment here to-morrow. The camp, as has been stated, is on the grounds of the Riverside Hotel in Dinwiddie county, a short distance from Petersburg, and the line of the electric railway to Farmdale Park is better or more convenient location could not well have been selected.

Army regulations are to be in force at the camp, and the daily class instructions are so many that but little time except for needed rest will be allowed the officers.

The army officers detailed by the War Department to conduct the school of instruction arrived in the city this afternoon, and were met at the depot by resident military officers and representatives of the Chamber of Commerce, an escort to the camp, and receiving a cordial greeting. It is usual to assign one army officer to every twenty or twenty-five men for purposes of instruction. Major Henry C. Steyer and Lieutenant Townsend Wheeler of the Twenty-ninth Infantry; Major R. B. Buck, Sixteenth Infantry; Captain Hunter B. Nelson and Lieutenant Robert S. Marks, of the Twenty-fourth Infantry; Captain Joseph K. Bartello, Lieutenants Leonard J. Westcott and Lieutenant John B. Barnes, of the Fifth Infantry. Major Barth will have charge of the camp of instruction.

The commissioned officers of the three Virginia regiments, to the number between 75 and 100, are expected to be in camp in readiness for duty to-morrow.

**A Pleasant Visit.**  
The fraternal visit of the Petersburg Temple of Pythian Sisters to the Richmond Temple last night was a most enjoyable occasion. The sisters went over in a special car, escorted by a number of their Pythian brethren, and all speak enthusiastically of the hospitality extended by the Richmond sisters and of the delightful session jointly held.

A cordial invitation was extended the Richmond Temple to return the visit.

**Marital Union.**  
Miss Dorothea Beatrice Owen, the attractive daughter of Mr. and Mrs. Frank A. Owen, and Raymond Reed King, both of this city, were married in Richmond last night by the Rev. Mr. Walcott. The ceremony taking place in the Richmond Temple, the bride is one of the most popular members of the Petersburg Temple of Pythian sisters, which went over to visit the Richmond Temple last night. The bride's mother and several members of the sisterhood were present at the marriage. To many have Pythian sisters, however, the event was a surprise.

Miss Ida R. Thrift and George J. Dozier, both of this city, were married in Washington yesterday by the Rev. William J. Carroll. Friends of the couple were informed of the wedding by telegram.

**Miscellaneous News.**  
The municipal election for the choice of twelve members of the Common Council and six members of the Board of Aldermen will take place on the second Tuesday in June. The candidates have all been proclaimed by the Democratic City Central Committee, and there will be no opposition to them.

The planters in this section have had a fine season for setting out tobacco plants, and many of them have had a full crop in. The crop this year will be larger than that of last year.

A complimentary dance and reception to the officers of the State militia will be given at the Riverside Club on Tuesday evening next, at which the army officers will be present.

Claude Rogers, a well-known citizen, is critically ill at the Petersburg Hospital of heart trouble.

Examinations have been in progress at the public schools for some days, leading up to those of the session the last of this week.

Brigadier Hunter, the head of the Salvation Army in Washington, will be in this city next Sunday, and will speak in Washington Street M. E. Church.

**In Georgia All the Same.**

The Atlanta delegate to the Southern Railway Surgeons' Convention, who was quoted yesterday as saying that Atlanta was infested with shyster lawyers, stated last night that the remarks were made by a Maxon, a local attorney, and that he was a stone's throw from Atlanta.

## HAMPDEN-SIDNEY TEAM DISBANDED

Thomas Atkinson Elected Captain of Baseball for 1911.

[Special to The Times-Dispatch.] Hampden-Sidney, Va., May 25.—The baseball season for the present season has closed and the team has disbanded. While disappointed in not making a better showing for the championship, the team has the satisfaction of at least holding down second place. Randolph Macon won all of her championship games, while Hampden-Sidney defeated Richmond College twice and William and Mary once, and therefore has a better record than any other team in the state. Hampden-Sidney won only two and lost four. William and Mary won one and lost five.

Inasmuch as the entire team graduates or leaves college this year, whatever is accomplished in baseball another season must be the result of new material. Thomas Atkinson, of Dinwiddie, has been elected captain for the next year.

Monograms were awarded to the following players: Atkinson, Bernier, Lacy, Braden, Arbuttle, Lee, Curry, Painter, Yeager, Gray and Jones. The trouble with this year's team seems to have been mainly due to lack of team work, when team work was all that was needed to win the game. However, all the scores were close, and Hampden-Sidney has again demonstrated its ability to play a good uphill game.

## RAIN PREVENTS TOURNAMENT

Classes Will Begin This Afternoon, and the Last Day Will Be Made Up Before Monday.

Just as the contestants in the second of the summer tennis tournaments of the Hermitage Golf Club prepared to go into the courts yesterday afternoon a driving rain began to fall and the players had to leave the courts. After waiting some time for the rain to cease the committee in charge decided to postpone play until this afternoon, when the first sets will be played off. Although the rain yesterday will set the players back one day, it is expected that the time lost may be made up before Monday, when the men's classes will begin. The time for play will be extended, and it is thought that the courts will be clear by Monday.

The men's classes in the second tournament show a much larger entry list than was entered for the April tournament, and it is expected that the play will be much faster. A large gallery was out to see the opening sets of the tournament yesterday, and it is thought that the attendance during the tournament will be good.
